Now, don't just take pictures the day you read this and forget about it; we need pictures throughout the year. Please only submit photos that you own and be sure to include your name. Photos can be e-mailed or shared to this address:

Christmas Donations

Here at Edison we participate in two Christmas donation programs. If you are able during this holiday season, we would love any help you could provide.

1) November 20th – December 6th - Toy Collection

We will be collecting donations of NEW toys for boys and girls ages 2-12. These donations are handed off to Perry Helping Perry which provides Christmas gifts for a great many families in the Perry district who are struggling financially. Please keep this in mind as you brave the lines on Black Friday 😊 Donations can be turned in to your AA teacher, or given to Miss Street in room 154.

2) December 9th – December 19th – Christmas Links

We will be "selling" chain links in AA for 25 cents. Money raised during this time will be used to take a few Edison students shopping who might be having a difficult time this year. All money goes directly to your classmates. If you are able, please consider donating what you can in order to brighten the holidays of those around you 😊

Pancake Breakfast

Want to have a great breakfast AND be waited on by your teachers? Be here this Saturday (Nov. 23rd) for the annual Edison Pancake Breakfast. The breakfast is free, but donations will be accepted which go toward the Nate Baker Scholarship Fund and the Edison Assistance Fund. Come fill up before practice, or the parade, or whatever else you do on a Saturday!
