

Looking for a fun and meaningful activity for your son? Sign him up for Cub Scouts!

The Cub Scout program is a year-round activity designed for boys entering grades 1-5. Inspired by the idea of fun with a purpose, your Cub Scout will enjoy memorable fun-filled activities year round while building character and confidence along the way. In the next few weeks, the Cub Scouts will be conducting a sign-up meeting in your area (see the schedule below).
