

Preschool Screening 2014-2015

Typical Peer Preschool Screening

A screening for preschool age children who are typically developing and are eligible for preschool enrollment for the 2014-2015 school year is scheduled for **Monday, March 31st**. Children must turn 3 years old before August 1st. Children must demonstrate age-appropriate speech/language skills, play and social skills, and behavior to be considered for enrollment. All typical peers must be reliably toilet trained before classes begin in August. If your child meets these criteria and you are interested in scheduling a screening appointment, please contact Ashley Reinhart, beginning **March 3rd**, at 330-915-5607. For more information about the preschool program, please visit www.perrylocal.org/preschool.

Preschool Screening for Special Needs Children

A screening for preschool children ages 3-5 who have suspected delays is scheduled for **Monday, April 7th** at T. C. Knapp Elementary. This does not include children enrolling in Kindergarten for the 2014-2015 school year. If you have concerns that your preschool child may demonstrate significant delays in the areas of speech/language development, motor development, cognitive development, and/or social-emotional/behavioral development, please contact Ashley Reinhart, beginning on **March 3rd**, at [330-915-5307](tel:330-915-5307) to schedule a screening appointment. For more information on identifying and serving preschoolers with special needs, please visit www.perrylocal.org/preschool.
