

Unfortunately due to lack of help, Lohr's Boys Night Out, originally scheduled for Friday March 9th, has been postponed.

If enough help is available, May 11th from 6-8pm will be the new Boys Night Out date. Please consider giving your time on May 11th in order for boys and their guests to enjoy an evening "out." Any questions, comments, or volunteers for the event can be directed to Missy Trompower at 330-327-4997 or melissatrompower@gmail.com

Thank you
