Online conference registration will close on *Sunday, February 10th at 11:00 PM.*

When you come in for Spring Conferences, please make sure to check the lost and found for items that your child may be missing!

Valentine's Day Classroom Parties

Our classroom parties are coming up on Friday, February 8th. Just a reminder that if your child has been asked to make a Valentine's box for this party, we are asking that you keep these boxes to a size that is portable by the child to and from school.

Absences from School

When your child is going to be absent from school, please call the school office at 330-484-3924 to report them off from school for the day. Upon your child's return to school, please send a note from home or a doctor's excuse for their absence.

Kindergarten Registration

Do you have a child excited about coming to school next year, or know someone who will have a kindergarten student coming to school next year? Winter Weather

Winter weather is here and with it brings a lot of cold, windy days. Please make sure that your child is dressed for the weather. Please remember to send coats, hats, gloves, etc for students to wear during recess. Just a reminder that we do go outside every day for recess as long as the temperature/wind chill is 20 degrees or higher.

Changes in Emergency Contact

Our all call system pulls from our enrollment information when we send out automated phone messages from the school. If your address or phone number changes at any point during the school year, please let us

know ASAP so that we can update our Emergency Medical forms and our record files so that you can be contacted at the correct address and phone number.

School Counselor Corner

Greetings Lohr families,

After a great start to the new year, I am very excited for a busy month in February. I will be starting a 3rd grade Study Skills/Anxiety small group this month. Both Mrs. Scaife and Ms. Rohr have referred students to this group and letters will be sent home soon. If you would like more information, please send me an email or call and I will be happy to answer any questions you have.

In order to help our teachers and students prepare for state testing, this month's guidance topic is Study Skills for all 3rd graders and Test Anxiety for all 4th graders. These topics will be presented in your child's classroom

Parent teacher conferences are also this month. If you would like to meet with me or have me sit in on your child's conference with a teacher, please contact me and I will be happy to arrange a meeting time.

I hope everyone has a great month and stay warm!

Sincerely,

Mrs. Watkins
