Dear Parents/Guardians:

This letter is to inform you that your son or daughter will be taking part in a human maturation discussion with his or her counselor on Wednesday, April 8<sup>th</sup>, 2015. Girls and boys will be separated in order to show a short video and ask questions.

Before we initiate this discussion, we wish to inform you of its content and allow you to contact us if you have any concerns. If wish to discuss the nature of this presentation, please call Mr. Laskey at Pfeiffer at 330 478-6163. We can discuss the nature of the presentation, or we can set up an opportunity for you to view the materials if you wish.

Your child can benefit by encouraging him/her to share experiences and information with you. You can help your child resist negative peer pressure, cultivate proper hygiene, and accept the physiological and emotional changes of puberty.

We look forward to working with your child.

Sincerely,

Mrs. Ehret, School Counselor
