3. AP, dual enrollment, and honor level classes will be scheduled according to student qualifications and teacher recommendation for the particular class. These courses may require special applications. See your counselor if you have questions.

All schedule change requests for elective subjects must be submitted during the first three (3) school days of the school year/semester.

It is the student's responsibility to verify his/her schedule before school dismisses in the summer. Counselors are available two weeks after school is out in the May and two weeks prior to school opening in the fall.

7. **A student athlete should review his/her schedule to ensure he/she is taking at least five (5), one credit courses** or the equivalent. It is recommended that each student athlete carry six courses per semester that count toward athletic eligibility.
8. If in doubt when scheduling, please see your counselor.
