

You're looking for ways to drive your students to meaningful, in-demand careers.
We've got the vehicle to do it.

Learn more about Stark State College's paths to a career with DRB Systems, a local company specializing in technology and marketing support for the automated car wash industry.

DRB Systems is working in partnership with Stark State's College Credit Plus program to train students interested in an IT career, positioning them for potential success and employment within the company.

Stark State is enrolling new students into this pathway for the 2018 fall semester – with the potential of 50-100 percent of tuition costs covered.

For more information, a tour of DRB Systems and an opportunity to ask questions face-to-face, join us at an

Open House | Wednesday, Nov. 15 | 3-5 pm

DRB Systems headquarters | 3245 Pickle Road | Akron, Ohio

To reserve your spot, email Shelly McCombs at smccombs@starkstate.edu or call 330-494-6170 ext. 4361.
