If return earlier: Assist with add'l projects and Lincoln Way Clean-Up

Project Perry Pride is a cooperative effort of Perry students, Perry Township, Rapid Response Restoration and Perry businesses to honor the 43RD Anniversary of EARTH DAY. By giving back to our community with this Perry Township Spring Clean Up, we will be making a difference for our Perry residents in need of this service.

Each volunteer will be expected to be on time and have positive attitude to work hard and make a difference in the spirit of Perry Pride. Student volunteers may be traveling to resident sites with an adult volunteer. No student will be permitted on ladders. No student will be allowed inside anyone's home without adult supervision to use the restroom or carry recycle items to the curb.

Please sign the volunteer form and permission statement. This form needs to be completed and returned to Mrs. Barth's mailbox at PHS, Edison or 3737 13th St. SW, Massillon, Ohio 44646 ASAP to ensure proper volunteer coordination.

Thank you for your support and please remember that you have the biggest impact in the choices our Perry youth make. We will keep our students healthy and safe through supportive families, schools and communities.

Any questions or suggestions you have may be addressed by Keri Dean at kdean@perrytwp.com (330) 833-2141 or Sherri Barth at sherri.barth@perrylocal.org (330-477-3486 ext 2011 or 330-933-8464).

Additional forms and information available at www.perrylocal.org
