Watson's Student of the Month for January !

Congratulations to Ella Bobrowicz for being picked as Student of the Month for January! Ella had her name selected after earning numerous tickets for being "Ready to Learn" while at school. Ella is currently a first grader in Mrs. Forchione's room.

Ella's favorite subject at school is Computer Lab and she likes coloring, movies and playing with Monster High dolls. Her favorite color is purple and her favorite sport is cheering. Ella would like to be a nurse when she grows up. Congratulations Ella!

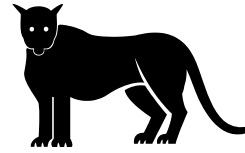

Outside Weather

During the winter months please remember to have your child/children dress for the weather. The black-top will be cleared and students will go out for recess when the wind chill is not below 20 degrees.

Mrs. Mullane's Art Room

Watson students' Mia Wells, Malena Brady and Gabby Marciniak each had artwork chosen for Akron Children's Hospital's permanent collection! Each child will receive a \$25 gift card in return for their works of art that will be on display at the different sites (including the one in Perry) of Children's Hospital. Their colorful, inspiring art will definitely brighten someone's day!

Mrs. Cumo's Counselor's Corner

As I celebrate my 23rd National School Counseling Week this month, I feel very grateful to be helping Genoa and Watson students prepare for the challenges of the 21st century.

The school counseling field has come a long way. School counselors now work with all students to increase academic achievement and remove barriers to learning.

In addition to the above, during February, Malone University intern, Mr. Calzada and I will be presenting lessons to all second and fourth graders on coping with family change and divorce.

I will be available during parent conferences. Please call if you would like to schedule a conference.
