Watson's Student of the Month for April!

Congratulations to Faith Ferguson for being picked as Student of the Month for April! Faith had her name selected after earning numerous tickets for being "Ready to Learn" while at school. Faith is currently a 3rd grader in Mrs. Wells's room.

Faith's favorite subject at school is Science and she hopes to one day become a nurse. Faith likes playing tag with her friends and family. Her favorite food is shrimp and she enjoys collecting elephants. Congratulations Faith!

Cafeteria Accounts

Students will not be permitted to charge to their accounts in the month of May. Please make sure that if your child has an outstanding balance that the account is paid in full prior to the end of the school year.

Thank You.

Mrs. Cumo's Counselor's Corner

May has been designated career awareness month. Students will be presented information on many careers and the skills and education needed to pursue the careers.

Fourth grade students will receive a lesson on human maturation. A parent preview of human maturation material will be held on Monday, April 28th at 6 P.M. at T.C. Knapp. A letter with more information will be forthcoming.

Toward the end of May, Fourth graders will visit Pfeiffer for intermediate school orientation.

Parent Pick-Up

In the past, as our weather improves **parents who live within walking distance** often choose to walk to the school and walk home with their child.

If you live near the school and are planning to walk from home and get your child, please send in a note to school so we are aware of the change in the office.

Those students will join our walkers and will be released towards the end of parent pick-up.

Parents who drive to pick-up their child are still required to wait in line and cannot park and walk up to the building.

GO PERRY!!!!
