It's Time to Bundle Up...

Can you believe Winter is quickly approaching! That being said, here are two quick tips to help you prepare:

Please make sure your students are dressed appropriately for school & outside recess. Layers are

best! We typically go out for recess unless the temperature (chill factor) falls to 20 degrees or below.

If you suspect a school closing, please make sure to listen to the radio and check your television for Perry Local in **STARK** County. There is another Perry school district in Northeast Ohio.
