

WATSON SNOW DAY!

Happy Wednesday Watson families! We hope you are having a warm and safe day out there! Last night you all kicked off your Watson Glow Run program & despite the snow day, we believe we can keep building momentum to help your school!

In honor of today's snow day, we have extended last night's challenge!

Remember: The class that has the most students (highest percentage) login to funrun.com by tomorrow will get to hang out with the Boosterthon team! That's right, we'll come to your class and play a game or read a book to you - whatever you choose!

We cannot wait to see who will be the winners of this challenge! **If you have not registered yet, use code: 624-512.** Now is the perfect time! Below we have a character lesson video for you to watch with your student during this cold snow day!

Citizenship Video: <https://vimeo.com/282783421/cc2256d820>

Tomorrow is going to be a blast and we cannot wait to FINALLY get started with our team huddles! Have an awesome day!

Booster Out!
