

Welcome to Whipple Heights Elementary!

On behalf of the *Whipple Heights Parent Teacher Organization* (WHPTO) we want to welcome you to the most wonderful elementary school in town!

We're sure it won't be long before you'll agree that Whipple is an excellent place for your child's first school years. We are very lucky indeed to have a dedicated principal, teachers, staff and PTO. The pride we have in this school shines through each and every year.

We have a very strong PTO with many involved parents completing numerous projects to benefit our children and enhance their educational experiences; however, the source of our continued strength comes from the involvement of new families, like yours!

The WHPTO has been able to completely furnish the computer lab, purchase a set of classroom Chromebooks, gym upgrades, and we continue to update the playground equipment. Furthermore, the PTO annually raises funds to help pay for special Family oriented events such as school dances, pep rallies, field trips, & transportation to special assemblies. Our involvement is great, but so are the results!

Please make a choice to be part of the fun and enjoyment of helping to keep our school a *Great Place to Learn!* Studies show that when parents are involved at their children's school, the children are actually more successful in school!

Our WHPTO meetings are held one evening a month in the library. Each meeting lasts approximately 1 hour. Have a great time, meet many of the other parents, and most importantly have a positive impact on your child's education at Whipple School!

As the new school year begins, the WHPTO officers are looking forward to getting to know you and your child. If you have any questions, please feel free to give any one of us a call!
