#### Reports:

President’s Report: Jenn Catazaro

Welcome to new members, we have a lot to accomplish this year and we have gotten many volunteers to help. Around 70 have responded via the Volunteer Inquiry that was sent out. We are organizing those and will contact volunteers for events.

Secretary’s Report: Tina Overturf

Provided sign in and will make every attempt to contact you by your preferred method and will try to keep everyone as informed as possible.

Treasurer’s Report: Kwyn Bontrager

Kwyn and Kim will co-treasure until January.

Vice-President’s Report: Betsy Ward

No report

Principal’s Report: Joe Hug

Mr. Hug has submitted the final draft for the window wraps the PTO will be paying for. They will be used to increase security and to decrease sun/heat inside the building. We can expect an invoice soon for PTO to have final decision.

New branding for Perry will be “Everything Humanly Possible”

Picture Day October 4, 2016

Walk-A-Thon: Kick off assembly Thursday September 15. Kick off Family Event Monday September 19 at Massillon BW-3. Raffle Baskets included an OSU Basket, Housner Carpet Gift Certificate, Anytime Fitness Gift Certificate, and Clean Eats Gift Certificate.

District Report Cards coming out and Perry was hit and its grade slipped. Mr. Hug indicated it had to do with how students are coded and the new assessments, as a PTO member please represent as positively as possible. Many local schools were similarly hit, we still feel the children at Perry and Whipple in particular are receiving a top notch education.
