Nominations for all WHPTO Board positions

As a school we nominated a couple of students (6) for Envision which is a National Youth Leadership Forum: Pathways to Stem program. It is roughly \$1,800 per student.

**Use the food fundraiser at Game Time so families can volunteer time, we are willing to cover some portion of the cost associated with their participation. We**

are asking to reach out to the families and get some more information on the program, is there any benefit to Whipple?

#### I Care Program

Kim will be submitting a request for funding next meeting.

#### Principles Report: Joe Hug

Via email from Joe: Please remember tonight is one of my teaching nights at Kent State so I will not be at the meeting. Below are the couple of things for my report...

#1 - COSI is coming up. I sent a REMIND today that we are looking for volunteers and to contact Roz. I need at least 10 people. PLEASE HELP!

#2 - Talent Show DVDs came in and Jenn Catazaro helped us get these out to the people who purchased.

#3 - Bobbi Jo Billman helped us out on Picture Day! (Huge THANKS to her because she stepped up at the last minute.)

#4 - Coming up, after Spring Break is district and state testing. The schedule was placed in the last two newsletters for 3rd and 4th but attendance at school always adds to student's success. All students will be tested at different points in April!

#5 - We continue to work on kindness and manners every day at Whipple Heights. That said, because kids are feeling more and more comfortable we always see an increase in poor choices in the Spring. We just ask that parents help us remind students how to handle situations where they are upset, frustrated, worried etc. Positive conversation all the time at home and school goes a long way with students to help them make the best choices in the moment. Also, please make note that in every newsletter we are working to provide Tips to Parents on talking with and working with their students. Helping spread the word about this will help ensure everyone is taking the time to read this information.
