

We have reached 65% of our goal!!

Dear Families...

Here is your Monday update! With what was turned in today, we have inched closer to our goal. Please remember, the WHPTO needs your help! We set a goal of \$25,000 for this year (which is slightly higher than the total amount brought in over the last few years). We extended our collection in order to raise funds to support the numerous opportunities we provide to students (such as Field Trips, 4th Grade Recognition Fun Day, Positive Behavior Parties, COSI on Wheels etc.).

Anything you can do to help Whipple School as well as your child's classroom is so appreciated. You have until *Thursday, October 4th!!!* Below is a list of class totals. We don't have class participation listed on here but will later this week.
