**TRANSPORTATION**

2012-137

**Declaration of Impractical Transportation**

Motion by Member Deitz, Seconded by Member Capuano to approve the following declaration of impractical transportation for the 2011-12 school year:

In accordance with Ohio Revised Code 3327.91, the Perry Board of Education declares it is impractical to provide transportation to the following students. The reason for such action is due to the cost of providing this transportation in terms of equipment, maintenance, and personnel due to the small amount of students to be transported. In lieu of transportation, payment will be made to the parents as established by state guidelines.
