## Physical Education Waiver

Students at Perry High School will have the opportunity to have their required Physical Education classes waived by participating in an approved extracurricular activity at Perry High School, in accordance to Section 3313.603 of the Ohio Revised Code.

Students who take part in an athletic program, cheerleading, marching band or JROTC will have their participation verified by the staff or the coach responsible for that activity. Students must participate from the beginning of the season until the very end of the season (including team banquet if one exists). Any student who is removed, is ruled ineligible, has a code of conduct violation or quits a program during the season will not be considered a full participant. The waiver requires 2 seasons, or two years of band, or two years of JROTC.

A student who has not fulfilled the PE requirement or PE waiver prior to the beginning of his or her senior year will be scheduled into a PE class. Participation in an athletic team, marching band, cheerleading, or JROTC will not qualify for the waiver during senior year without the approval of the administration. Final waiver decisions will be made by the Administration.

This form must be completed and turned into the School Counseling Office prior to the banquet of the sport being used for the waiver. Band forms must be turned in before the end of the first semester & JROTC by the end of the year. PE Waiver is not fulfilled until the 2nd season is completed & a 2nd form is turned in.
