

PERRY YOUTH BASKETBALL FOR BOYS

We are starting a youth basketball program for boys in grades 2 to 6 this winter. Our goals are:

1. To introduce boys to organized basketball and teach them fundamentals and sportsmanship.
2. To keep rosters small to make sure everyone plays.
3. To make this affordable to everyone.
4. To give the boys some pride in Perry and their individual schools.

Games and practices will be weeknights at our community's schools. Saturday games or practices are doubtful. We will try to keep each team to certain nights of the week and minimize travel. **We will have a district-wide "skills camp" on Saturday, December 4, 11, and 18 at the Pfeiffer gym. (Second through fourth grade from 4-5 p.m.; fifth and sixth grade from 5-6 p.m.)** Games will be from January to mid-March. School administration and boys coach Paul Wackerly are helping to make this fun for everyone.

If you are interested, please fill out the form below completely so that we can accommodate your child and make sure he has as much fun as possible. **Deadline for applications is December 1.** Applications submitted after December 1 are subject to \$15 late fee and are not guaranteed roster spots. Sorry, no exceptions for friends outside the district or older children in the first grade.
