

## Perry Swim Lessons

### Red Cross Swim Lessons

**Fun Fact:** Olympian Michael Phelps started in the same Red Cross Learn-to-Swim program at age 7. Perry Natatorium will offer 1. daytime, 2. evening, 3. Saturday Learn-To-Swim lessons for children. All of our lesson instructions utilizes the latest Red Cross certification and currently uses 6 progressive ability levels of swimming/aquatic skills. Just because a child can make it across the width of the pool does not mean he/she is water safe. Swim Lessons will teach your child/ren how to be safe in and around the water. Please refer to the Red Cross Swim Lesson Level Descriptions on the reverse side of this flyer. (also available on the Perry Aquatic Website at: [perrylocal.org/aquatics](http://perrylocal.org/aquatics)) Or see one of our current instructors to determine which class(es) would best fit your child(ren)
