

Please join us for
a special blood
drive dedicated
in honor of

Nate Baker

Last year Nate Baker was diagnosed with Adrenocortical Carcinoma, a rare form of cancer that affects the adrenal glands. After initially being treated at Akron Children's Hospital, Nate is currently receiving further treatment at St. Jude Children's Research Hospital. Please continue to show your support for Nate and the entire Baker family by donating blood.

Edison Middle School

4201 13TH STREET SW, MASSILLON
GYMNASIUM

Monday, September 17, 2012
2:00 PM to 7:00 PM

So we may better serve you, please schedule your appointment by going online to www.redcrossblood.org and entering sponsor code: natebaker.
