Perry Swim Lessons

Red Cross Swim Lessons

Fun Fact: Olympian Michael Phelps started in the same Red Cross Learn-to-Swim program at age 7. Perry Natatorium will offer 1. daytime, 2. evening, 3. Saturday Learn-To-Swim lessons for children. All of our lesson instructions utilizes the latest Red Cross certification and currently uses 6 progressive ability levels of swimming/aquatic skills. Just because a child can make it across the width of the pool does not mean he/she is water safe. Swim Lessons will teach your children how to be safe in and around the water. Please refer to the Red Cross Swim Lesson Level Descriptions on the reverse side of this flyer. Also available on the Perry Aquatic Website at: perrylocal.org/aquatics Or see one of our current instructors to determine which classes would best fit your children.
