The Humor of <u>Monty Python</u> Comes To Perry
As "Players" Celebrate Their 55th Anniversary Season
With The Hilarious Broadway Musical SPAMALOT

Monty Python (known as **The Pythons**) were a Comedy sketch group who created the Comedy show *Monty Python's Flying Circus*. The show first aired on the BBC in 1969. Forty five episodes were made over four seasons. The <u>Python</u> phenomenon of the TV series grew into something larger than ever imagined; including stage shows, films, albums, books, and a Broadway Musical (**SPAMALOT**). The influence of **Monty Python** on the world of comedy has been compared to **The Beatles'** influence on the world of music. The Humor of <u>Monty Python</u> is billed as being pure silliness causing smiles as well as hearty belly laughs. **SPAMALOT** is said to be the **<u>BEST</u>** of Python humor. In 2005 a poll was taken to determine the recipients of an award called **"The Comedian's Comedian"**. The results; three of the six Python members were voted by **<u>fellow comedians</u>** to be in the list of….the **<u>Top 50 Greatest Comedians</u>**.

Monty Python's **SPAMALOT** takes place in the time of the Crusades. Arthur, "King of the Briton's" has taken upon himself to begin a quest to find the "Holy Grail" He & his sidekick Patsy travel the land in search of worthy men to join the quest.
