

"Perry Diving Clinics"

Do you like to jump around? Do you like to tumble? Do you like to spin around? Do you like to swim? If you answered YES to any one of these questions, then the Perry Diving team is the place for you! Perry Natatorium has two 1-meter diving boards at its high school and is looking for team members. Our coaches are currently seeking individuals, both boys and girls, to join our team of current members for the upcoming diving clinics. We will teach you the basics of 1-meter diving which includes, approach, position, technic, entry, & safety. Dryland, strengthening, conditioning, and trampoline will be included in our regular work outs. If you are interested in learning more about our program or would like to join us, call or stop out to any of our diving clinics listed below.
