District Profile

Perry Local School District is a public school district serving approximately 4700 students in Perry Township, Stark County, Ohio and portions of the city of Massillon, Ohio. The district was founded in 1853 and currently has five elementary schools, one intermediate school, one middle school, and one high school.

Gifted services begin in second grade for core content areas. Honors math and English courses are offered beginning in seventh grade. The high school offers 35 College Credit Plus courses through Stark State University and Kent State University, 12 Advanced Placement courses, and 24 Career Tech Pathways through the consortium with Canton Local, East Canton, and Sandy Valley.

The district is committed to integration of technology into the learning process. This year, grades 9-12 will be implementing a 1 to 1 laptop program. All other buildings have multiple Chromebook carts for classroom use as the district works toward further 1:1 development for grades 7 and 8.

A recent building project involves the Career and Wellness Center which is being constructed solely through grants, fundraising, and donations. It will house the new culinary program, cafe, sports areas, fitness center and outdoor entertaining area.
