

Parents and Guardians:

The safety and security of our students and staff is our top priority. We must come together to put a stop to statements being made that create fear, anxiety and/or causes significant public alarm. This is unacceptable.

We are asking you to please talk with your child(ren) to ensure they understand that any statement or action that creates fear, anxiety and/or causes significant public alarm will not be tolerated.

We take every situation involving our students and staff's safety very seriously. Appropriate disciplinary action will be taken with any individual who causes fear, anxiety and/or public alarm.

Our students deserve to have an uninterrupted school day to focus on what is important – their education.

Please talk to your child(ren) about the consequences of creating fear, anxiety and/or public alarm through any written or verbal statements and/or social media platforms.

Thank you for your continued support for Perry Local Schools.
