Perry Aquatic Club (PAC) is a year round competitive swimming program. PAC offers guided instruction in competitive swimming for ages 5 and up. We offer training groups for swimmers just entering from swim lessons to the most competitive and skilled swimmers. As a member of PAC, athletes will be coached with an emphasis in sportsmanship and teamwork. ***\*In order to be a member of PAC, swimmers must be able to swim at least one(1) length of pool and know how to do 2 different strokes (ie. free, breast, back, butterfly)\****

The PAC program works in conjunction with the Perry High School Varsity Swimming and Diving team and the Perry Learn-to-Swim program as a progressive swimming community.
