

SENIOR PORTRAIT GUIDELINES

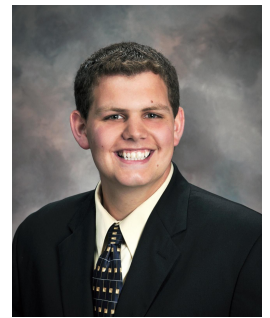

Dear Photographers and Seniors,

We are contacting you early in hopes of establishing guidelines for the senior portraits for the 2020 edition of the Perry High School yearbook. We do our senior portraits in a very traditional manner and follow fairly strict guidelines, which we hope you will abide by.

HERE ARE OUR REQUIREMENTS:

We would prefer that the senior yearbook portrait be sent to us digitally. The dimensions should be 640 x 800 pixels and 300 dpi and it may be a PNG, TIFF, or a JPG format.

- All photographs should be in **color**
- Background colors (traditional portrait) blue, gray, no light colors
- **Head and shoulders pose only, no hands**
- The portrait should be a **traditional, full-sized** one with a **resolution of no less than 300**.
- Please allow sufficient **headroom around the portrait for cropping**. This is extremely important since we receive portraits from many different photographers.
- Photographs should have clear darks and lights—soft focus portraits reproduce very, very poorly in the yearbook.

DRESS CODE— Please follow the Perry High School dress code for the yearbook portrait.

You may use the **photographer of your choice for your yearbook portrait**, but please make sure that he/she follow all of the guidelines. **James Wood Studios** is the contracted photographer for Perry High School's sports teams and co-curricular activities. Special yearbook portrait pricing is available from them at their studio on Lincoln Way in Perry Township.

Portraits are due to Perry High School on or before **February 3, 2020**. We are not able to accept photos after this date so please plan accordingly.

Please feel free to contact Casey Jenkins, at Perry High School. The phone number is (330) 477-3486 or by email at casey.jenkins@perrylocal.org.

SPECIAL OFFER:

James Wood Photography will be at Perry High School to take senior portraits for the yearbook for \$25 (only includes sitting fee and picture to be in the yearbook). Prints can be ordered for a discounted price. **More information will be announced in September.**
