March 12, 2020

Dear Perry Local School Families and Residents:

Due to the state of emergency caused by Coronavirus, this afternoon Ohio Governor Mike DeWine made the decision to close all preK-12 schools throughout Ohio. Perry Schools will be closed at the conclusion of class tomorrow, Friday, March 13th through Friday, April 3rd. The district will soon be releasing additional information regarding our plans during this closure which will address necessary resources for students and families.

We recognize the enormity of this decision as it impacts the lives of our families and community members.

We ask our families and community members for their patience and understanding during this unprecedented event. We will provide a future update by the end of the day tomorrow.

Thank you,

Mr. Scott Beatty
Superintendent
Perry Local Schools
